STEERING THE COURSE TOWARDS AN ENVIRONMENTALLY RESPONSIBLE FUTURE

*“We are steering a course
towards a lower carbon future and, by 2050,
will achieve net-zero greenhouse gas emissions”*

PIERFRANCESCO VAGO
Executive Chairman

For us sustainability means protecting the environment, supporting the people who work with us and choose to travel with us, as well as the communities and places that we visit and do business with.

As a family-owned company with three centuries of seafaring heritage, MSC Cruises is committed to preserving our oceans and our planet, both now and for future generations. With our cruise sustainability programme we are introducing cleaner fuels across our cruise ships, promoting responsible travel through our excursions, reducing plastics, recycling and reusing waste on all our ships and producing our own freshwater on board directly from the sea.

CAN CRUISING DECREASE ENVIRONMENTAL IMPACT?

At MSC Cruises we believe it can be.

From introducing on our latest ships the cleanest marine fuel available to our state-of-the-art water treatment facilities, we're putting environmental responsibility at the heart of everything we do. To preserve the sea we call home, and change cruising for good.

A particular focus is on **minimising air emissions**, with systems in place to meet or exceed regulatory limits, and efforts to **reduce our carbon emissions** profile, including extensive energy efficiency measures on board every ship. Reducing, reusing and recycling waste generated onboard is a key focus across our entire fleet, and we are working hard to eliminate all non-essential single-use plastics from our ships.

Over 80% of freshwater produced on board our fleet is from desalinated seawater – up to 3 million litres per ship every day!

Advanced wastewater treatment ensures all water consumed is purified before returning to the sea. Every ship in the fleet has a dedicated full-time Environmental Officer responsible for environmental compliance and providing training and education to all our crew.

OUR NEW SHIP: MSC EURIBIA

MASTERING THE SEAS, RESPECTING THE PLANET

Named after the ancient goddess Eurybia who harnessed the winds, the tides and even the stars to master the seas, MSC Euribia harnesses state-of-the-art technology to protect and preserve the precious marine ecosystem.

LNG POWERED

MSC Euribia was designed to offer a state-of-the-art cruising experience, with sustainability as the prime objective. Powered by Liquefied Natural Gas - an important step towards our ultimate goal of net-zero emissions operations.

RESPONSIBLE CRUISING

The ship also features furniture options and single-use items made with recycled materials or minimal plastics. Add advanced energy-saving, water treatment and waste management systems, and the result is our most environmentally advanced ship to date.

EXCLUSIVE ITINERARIES

With the ship's credentials unlocking access to exclusive port locations, routes like the inaugural itinerary in Northern Europe take on even greater appeal.

ICONIC DESIGN

MSC Euribia is empowered with striking new features. The hull itself is a visual masterpiece. Created by German artist Alex Flämig and entitled #SaveTheSea, this iconic artwork uses an ocean-inspired colour palette to represent MSC's commitment to the environment and profound respect for the oceans.

WHAT'S IT LIKE TO CRUISE WITH MSC?

Imagine your journey, a new horizon everyday

All settled in? It's time to take a peek at the daily programme to find out what's in store. Oh, tonight's gala night, so head to the professional hair and nail salon or barbershop to be glammed up. Then, it's time to shine as you walk down the Swarovski staircase to start your journey in style.

Finally, don't forget to order room service for a lazy breakfast in your cabin tomorrow morning.

READY, SET, GO!
ALL THE ACTIVITIES

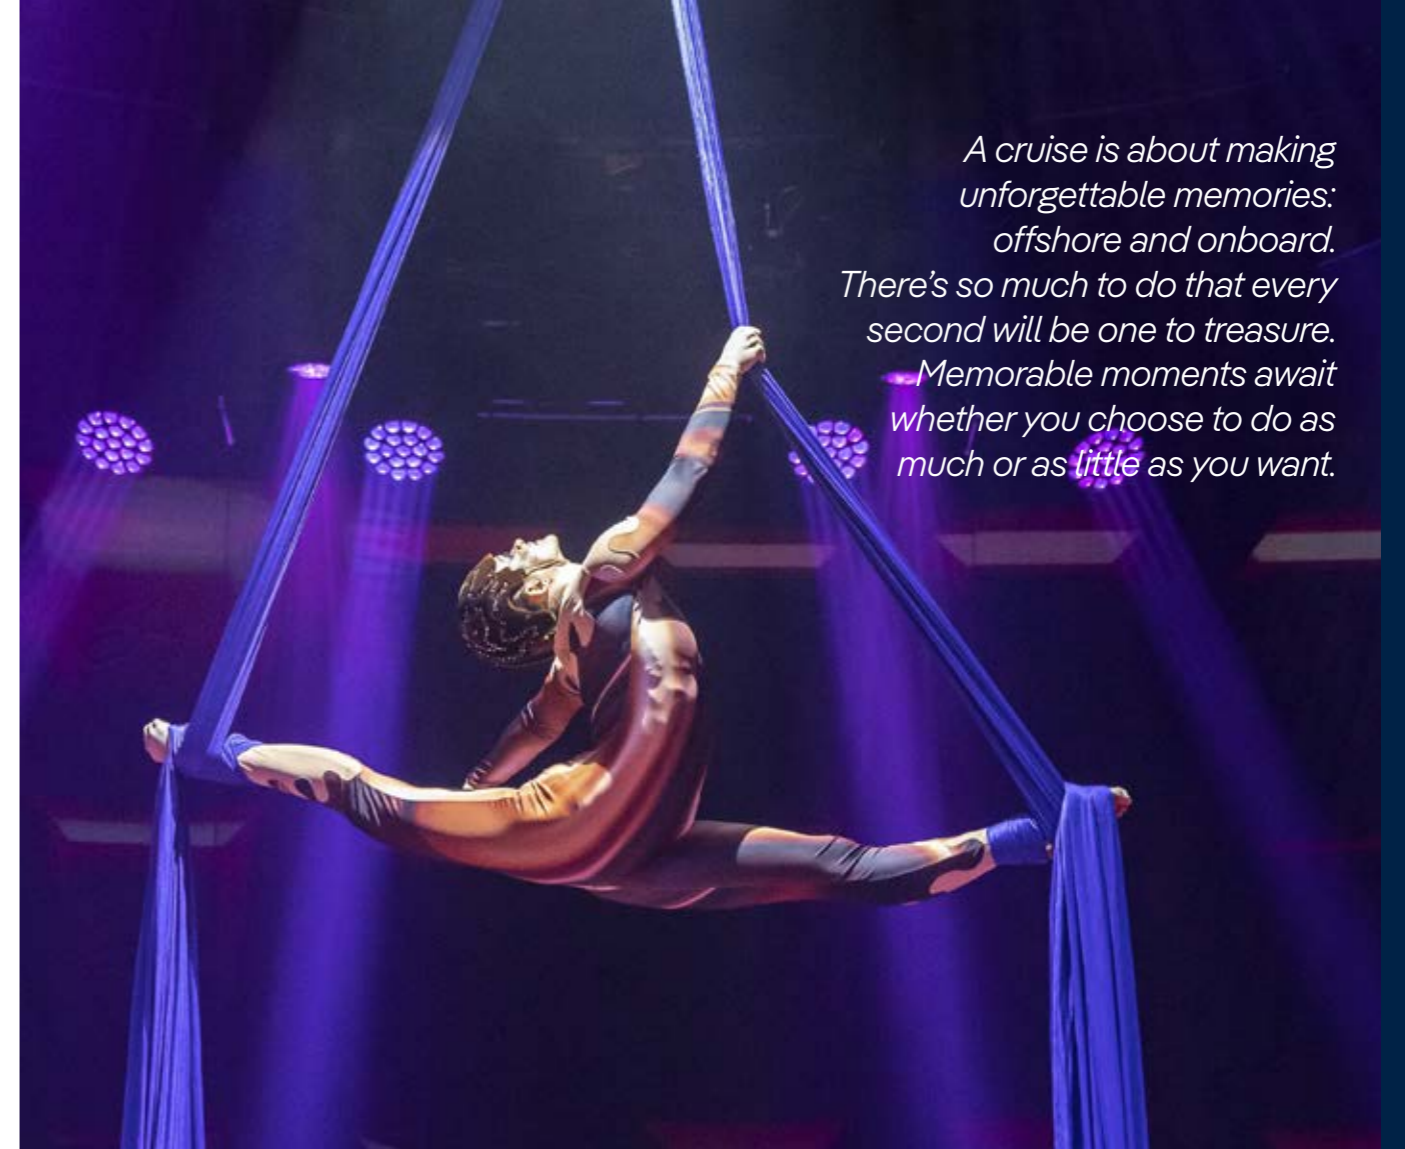

There are so many thrills and spills at your fingertips that the days spent at sea will be just as memorable as those in port.

The only tricky bit will be choosing what to do.

First, **it's time for some family fun.**

From shopping to sipping cocktails by the **pool and whirling down the waterslide**, there's something for all ages. Ready for the adrenaline rush of the **ROBOTRON rollercoaster**?

Want to climb in the **MSC Formula Racer simulator**? Sure! As the sun sets, there's even more to do. Tonight you are booked in at the **chef's table before heading to a quiz and a party.**

A cruise is about making unforgettable memories: offshore and onboard. There's so much to do that every second will be one to treasure. Memorable moments await whether you choose to do as much or as little as you want.

IT'S SHOWTIME!
ALL THE ENTERTAINMENT

After a busy day exploring all the extraordinary sights onshore, you're back on board for a **spectacular evening of fun and entertainment.** After another delicious meal, you're spoilt for choice with the range of night-time activities every night.

First, check out that **top-end show** you love featuring an **international line-up of artists** in the Broadway-style theatre. Then, catch that **live band** you love as you enjoy a digestif.

If that's not what you feel like doing tonight, then why not hit the **casino** for a **night of glamour and roulette** or dance the night away at a disco?

Or if you're looking to spend some quality moments with the kids, then why not head to the **bowling alley and arcade** for some classic family time? Oh, and don't forget to sign up for the ever-popular MSC Factor and MSC MasterChef talent and cooking competitions. The schedule's packed with fun!

Carousel Productions at Sea is an **exclusive and original production that blends breathtaking acrobatics, dance and live music.** Specially created for MSC Cruises, this artistic and immersive spectacle places you at the heart of the show amidst its extraordinary lights, sounds and special effects.

We're here to ensure every meal onboard is a celebration. Whether healthy or indulgent, fine dining or casual cuisine, sophisticated or simple, we are passionate about making fantastic food.

EXPLORE THE WORLD THROUGH FOOD

From yummy sashimi to succulent steaks, and whether you are a foodie or a fussy eater, our speciality restaurants offer a kaleidoscope of global choices and styles.

Book a dining package, and we can reserve tables for you at a time of your choice.

SAVOUR THE FLAVOUR ALL THE TASTES

Every meal on the ship will take you on a journey of discovery with **delicious dishes inspired by each destination** and daily specials based on **fresh local ingredients**.

So, this morning you've woken up craving the exotic. No problem. We have the perfect choice for your taste and mood. From snacks-on-the-go to kid-friendly options, from light and tasty dishes to indulgent desserts, there's mouth-watering cuisine for every moment.

Planning to stop by the buffet for lunch? Then pull up a chair and watch our skilled chefs at work as you feast on various cuisines with the freedom to treat yourself at any time. As night falls, do you feel like being even more spoiled? Step inside one of our Main Restaurants and sit for a white tablecloth dinner designed to wow. Impeccable service and incredible sea views will make your meal more than a mouthful of memories. Delicious!

Globally, we support emergency response initiatives in disaster situations, promptly obtaining and transporting first relief goods to affected areas and their most vulnerable populations.

PROTECTING THE WIDER WORLD FOR THE FUTURE

The MSC Foundation is hard at work researching and restoring the coral reefs around our private Bahamian island, Ocean Cay.
